

The Apollo Difference

Apollo Trade Window Store Limited was founded by window fitters for window fitters!

INDUSTRY EXPERTS

Whilst we are as capable of shifting boxes as the next supplier, it's our specialist industry knowledge and customer service that keeps our regular tradesmen, builders and window fitters coming back. Our staff will advise and guide you through your project, whether it's the best way to measure up or the right silicone to use, we know the answer.

THE BEST PRODUCTS

From our Cowley trade counter, we supply products from the best known names in the industry, to help you make the best choices for your project, and take the hassle out of the ordering process for you. Whether you call in with your requirements drawn on an odd piece of plasterboard or timber, or you email us architect drawn specifications and plans, we will make sense of it and give you the best value for money prices and service.

VIRTUAL YARD

Paying for expensive premises, or clogging up your garden or driveway with materials! Take advantage of the Apollo Trade Window Store "Virtual Yard". Order what you need for the next day and we'll have it waiting for you for easy loading when you arrive.

FREE LOCAL DELIVERY

Why not take advantage of our pre-arranged local delivery service, so you spend more time on site and less time collecting materials!

SKIP IT

Provided you have purchased your new products from us, when your job is done, simply bring your old frames or fascia boards and guttering to us and leave it in our skips for correct disposal.
